

125 years of the car in mannheim

autoSYMPHONIC

the car is celebrating its birthday:

in 1886 carl benz invented the motor car – in the heart of mannheim.
in 2011 this multicultural city in south-west germany will be celebrating the 125th anniversary of its most famous invention.

world premiere of the multimedia symphony *autosymphonic*
for large orchestra, 80 cars, choir and percussion by
marios joannou elia (composition) and horst hamann (production)

swr baden-baden and freiburg symphony orchestra,
swr stuttgart vocal ensemble, baden-württemberg pop academy

join in the celebrations!
